

The 4th Sunday of the month (maybe adjusted for holidays, please see schedule) we will come together as a parish family after the 11 am Mass for our Family Faith Day. There will be lunch, sharing, a review for the children and a presentation for adult formation by one of our clergy.

We hope that all of our St. Paul families will participate in this great opportunity for growing in your faith. The Adult session is open to all St. Paul Parishioners. Whether we are single or married, we are all part of a family. All families are called to be an image of Christ's love for the Church.
