

Faith Formation: Grades PreK – 8

\$20 per child, up to \$60 per family; financial assistance is available

This year our Faith Formation program will be focused on building the domestic church within your home and family. It will be held in monthly cycles of the following 3 phases:

- ❖ **REAP** (Rejoice, Evangelize, And Pray) will be held monthly in the parish hall, starting on Sept 5th. Sessions will run from 9:00-10:45, usually on the first Sunday (see schedule). This will be an active and engaging time of introducing our theme for the month to the children.
Sow: 7th & 8th graders meet during our REAP program
- ❖ **Domestic Church** will take place *in your home* over the following 2 weeks. Using the materials received during the REAP session, you will study and grow with your children, as you continue building your domestic church.
- ❖ **Grow in Faith** will be held on the 4th Sunday of each month, with a parish-wide lunch and faith teaching session. During the adult session, children's sessions will also be held, wrapping up our theme for the month with further enrichment activities.
